AGENDA ITEM NO. 196.4

Subject: Agenda regarding tendering process in Municipal Corporation, Chandigarh.

To

The Mayor,
Municipal Corporation,
Chandigarh.

Subject: Agenda for House Meeting.

Dear Sir,

We would like to bring to your kind knowledge that the whole tendering process in MC is faulty. Concerned officers prepare estimates/DNIT without following any established engineering norms. Poor quality of work is being carried on in the entire city. There is no mechanism to check the quality of work. Tenders are recalled again and again causing wastage of public money. Works are being given to blacklisted contractors in subletting. Certain roads are repaired after four years while others are repaired after 10-12 years. No system is being adopted. Work of crores of rupees is being done under non-plan without anybody's knowledge. All committees have no power to check the work. Their rule is restricted to give approvals to estimates.

In this light, we the following councilors demand that either a special session be called to discuss, debate and form new guidelines for overhauling of the whole tendering process or give dedicated time slot of minimum two hours in the monthly house meeting.

Yours sincerely,

1. Sd/-Surinder Bahga
2. Sd/-Arun Sood
3. Sd/-Sat Parkash Aggarwal
4. Sd/- H.C. Kalyan
