HNYKS

**Minutes:**

1. Commissioner Municipal Corporation Chandigarh asked to re-identify sites in outer skirts of Sector 17 in consultation with Consultant of SMART CITY except central plaza area in view of the rejuvenation plan of sector 17 under SMART CITY project.
2. It was decided that office of Chief Architect UT will jointly inspect for scope of sites in Sector 17, 19 and 22 with Additional Commissioner- II and III.
3. It was also decided that Municipal Corporation will again look into the number of street vendors sitting at present without any intimation for real picture on density of vendors in 17, 19 and 22.
4. Commissioner shared that the street vendors rehabilitated earlier in Chandigarh cannot be the benchmark in any sector for not providing sites. He said, Government of India has enacted an act for protection and regulation of street vending in the country.
5. Commissioner direct office of CA UT to identify possible number of sites in three sectors namely 17, 19 and 22 to accommodate atleast minimum number of surveyed street vendors with Municipal Corporation Chandigarh within one week.
