

PUBLIC NOTICE

Due to increased demand of drinking water in summer season, the watering of lawns, washing of courtyards and washing of vehicles etc. in the morning water supply hours is prohibited w.e.f. 15.04.2018 to 30.06.2018. The consumption of water for the following actions/reasons shall be considered as Wastage and misuse of water and shall invite penalty alongwith disconnection being illegal as per provisions of Water Supply Bye- Laws.

1. Washing of vehicles and Court Yards etc.
2. Watering of lawns.
3. Wastage or misuse of water through any other reason.
4. Overflow from Over Head/Under ground Water Tanks.
5. Leakage from Water Meter Chamber.
6. Leakage & overflow from Desert Cooler.
7. Installation and use of booster pump direct on water supply line.
8. Wastage of Water due to non-installation of bib taps.

The following action shall be taken against the consumers, if found indulging in any of the above acts.

- i) On detecting a violation as given above, a fine/penalty amounting to Rs.2,000/- shall be imposed, which shall be recovered through regular water supply charges bills. Any material like booster pump, hosepipe etc. being used by the defaulter shall be confiscated.
- ii) On finding a violation even after imposition of fine/penalty, the water connection shall be disconnected immediately without any further notice.

The consumers are requested to cooperate and help the Corporation to meet with the demand by avoiding wastage and conserving precious water.

NOTE :

- (i) **No separate notice will be given for the violation at Sr.No.1 & 2 mentioned above to the consumer for misuse of drinking water.**
- (ii) **Notice will be given for the default against Sr.No.3 to 8 mentioned above to get the defect rectified by the consumer within 02 days, failing which a fine / penalty amounting to Rs.2000/- shall be imposed.**
