

INVITATION FOR EXPRESSION OF INTEREST (EOI)
For Procurement, Supplying, Installation, Commissioning, Operation and
Maintenance of PET Bottle Crushing Machines (PBCMs) for a Period of Five Years
at Various Locations in Chandigarh City under PPP mode

1 PROJECT DESCRIPTION& OBJECTIVES

Under the Smart City Mission for the Chandigarh, the city endeavor to remain a healthy city where the well-being of its citizens is of primary importance. It is in this endeavor, city administration proposes to install 10 nos PET Bottle Crushing Machines (PBCMs) for the City at various public locations which may be increased as per demands in future.

The Work includes Procurement, Supplying, Installation, Commissioning, Operation and Maintenance of PET Bottle Crushing Machines (PBCMs) at identified locations selected by CSCL for a fixed period of 5 years under PPP mode. The entire cost of procurement, supply, installation, commissioning, operation & maintenance by engaging requisite manpower, maintenance of the hardware, cabling, fabrication & other incidental expenses related to implementation of the machine are to be solely borne by the Selected Agency. The crushed material shall be disposed off by the Agency itself. CSCL/MCC shall allot a designated space as PBCM Area (includes Machine area plus storage area, if any) at designated places of Chandigarh to the Agency free of cost and encumbrances. The Agency shall depute trained and skilled staff to operate the PBCMs, rectify failure, faults if any immediately. The Agency may be allowed to advertise on three {03} sides of machines & on the LED TV installed in the machine. The advertising material will have to be approved from the CSCL before display. The users may be incentivized to create awareness and greater participation in use of PBCMs to dispose of PET Bottles.

2 SITE LOCATION AND AREA

The project covers the pre-defines spaces in the area of sec 17, 22, 35, 43 or any other suitable place in the Chandigarh city. The primary objective behind the initiative is to provide litter free environment in the city and promote Chandigarh as a healthy city.

3 IMPLEMENTATION & METHODOLOGY

The Proposal must include brief description of various methods/ technologies available for Supplying, Installation, Commissioning, Operation and Maintenance of PET Bottle Crushing Machines (PBCMs) in conformity with various BIS/ISO/Government guidelines/rules. The proposal should have appropriate solution for ease of operation and maintenance at project site along with tentative cost.

Based on the detailed proposals to set up project, the entities shall be invited to make a Presentation on their detailed proposals to CSCL in its office at Chandigarh on the date and time to be notified later.

4 REQUEST FOR INFORMATION

Information on the following may be sent as part of the Expression of Interest, or provided as part of the presentation to CSCL by those shortlisted.

1. Description of PET Bottle Crushing Machines (PBCMs) set up or operated by the Company/ Firm/Proprietorship including layout and design information along with tentative cost.
2. The description of previous experience if any.
