## **Water Boosting Station provided in Sector 56**

The Municipal Corporation has provided new Water boosting station in sector 56, Chandigarh. Sh. Vijay Kumar Dev, IAS, Adviser to the Administrator, UT, Chandigarh today inaugurated this station on September 14 in presence of Mrs. Poonam Sharma, Mayor, Mrs. Bhawna Garg, IAS, Commissioner, MC, Sh. Darshan Kumar Garg, area councillor, other councilors and officers, senior residents of the area and prominent citizens from Chandigarh were present on the occasion.

Consisting of one lac gallon capacity underground reservoir to be filled up with yield from the tubewell as well as canal water from water works sector 52, alongwith two pump sets (one working and one standby arrangement), the water boosting station was completed at a cost of Rs. 43 lacs within 4 months span.

The Adviser said that there was dire necessity to improve the water supply system in that area as it was persistent demand of the residents pursued by the area councillor. He said that the residents of sector 56 were facing lot of problem of low water pressure in their area, and regular requests were received from the residents to increases the water pressure as the pressure of water was not sufficient to meet with the requirement of water at first floor.

The water boosting station will cater approximately 3000 households having two and three story buildings in the rehabilitation colony, sector 56.

## **MC issues 51 notices against defacement in city worth Rs. 3.6 crores**

The Municipal Corporation Chandigarh has issued 51 notices worth Rs. 3.6 crores on September 16 to the defaulters under anti defacement campaign in city carried out under Chandigarh Advertisement Control order 1954.

Sh. Bhupesh Chaudhary, IAS, Assistant Commissioner, Municipal Corporation, Chandigarh said that during the course of checking by joint team of civil defence, Municipal Corporation and Chandigarh Police, regarding defacement of property in Chandigarh, number of posters/signboards were displayed at various locations in Chandigarh during student union elections.

The joint team removed the posters/signboards from different locations and proper photography of such advertisements has been taken. He said that notices have been issued to the defaulters and advertisement fee calculated as per Chandigarh Advertisement Control Order 1954 has been imposed on them.

The defaulters have to be deposit the calculated fee with the Municipal Corporation Chandigarh as per issued notices on account of advertisement fee.

## MC held meeting for Prevention & control of Dengue Fever

To sensitize the Councilors & the Resident Welfare Associations (FOSWAC), a special meeting was on September 23 in the Committee Room of Municipal Corporation Chandigarh under the Chairpersonship of Ms. Bhawna Garg, IAS, MC Commissioner.

The meeting was attended by Sh. Rajesh Kumar Gupta, Senior Deputy Mayor, Smt. Gurbax Rawat, Deputy Mayor, Sh. Rajiv Gupta, Joint Commissioner, MC, other councilors of MC, Director Health Services, Assistant Director Malaria, Medical Officer of Health, Anti Malaria Officer and other staff members.

During the meeting, the Councillors and representatives of Resident Welfare Associations were also sensitized for the prevention, control, spread and management of Dengue fever. It was resolved during this meeting that Resident Welfare Associations & Market Associations including (FOSWAC) will organize the Special Camps to aware the general public about prevention and control of Dengue fever.

The Commissioner said that special emphasis should be given to prevent the breeding sites of mosquitoes like construction sites, broken pots, tyres and low lying areas where water gets collected. The Commissioner directed the officers to upload the Fogging

Programme Schedule on the Website of Municipal Corporation, Chandigarh. It was further directed that fogging operations should be carried out under the direct supervision of the concerned area Councillors.

It was also resolved during the meeting that pamphlets for prevention & control of Dengue will be distributed to the general public through Municipal Councillors and RWAs. The RWAs will hold special meetings in their respective areas to spread the message of prevention, control and management of Dengue fever. It was also decided in the meeting that MLO (Mosquito Larvicidal Oil) should be sprayed over all the breeding points of mosquitoes.

A Special Entomological Exhibition was also displayed where the larvae of Aedes mosquito was shown to the councilors, RWAs and the general public. A Special **Helpline for the Dengue i.e. 9779558282** is maintained by Dr. Gaurav Aggarwal, Anti Malaria Officer in order to streamline the field operations & to know more about the Dengue & Malaria.

## **Skoch honours MC with best online garbage bin tracking system & best youth skill building process**

The Skoch consultancy Services, India today conferred awards of excellence for tracking and monitoring of Municipal Solid Waste and providing sustainable livelihood to urban poor youth through skill building under National Urban

Livelihood Mission.

The awards were received by Mrs. Poonam Sharma, Mayor and Mrs. Bhawna Garg, IAS, Commissioner, Municipal Corporation Chandigarh on September 22 at New Delhi.

The Municipal Corporation Chandigarh has started monitoring of Garbage bins with an Online Application, developed through NIC, Chandigarh. The MC has created masters of bins locations, drivers & vehicles for tracking and monitoring of Municipal Solid Waste.

## Electricity Committee Meeting held

## **Public can now rate the redressal of their grievances related to MC**

In order to further improve the functioning of the Online Grievance Management System of the MC and to make it more responsive to the citizens, the Municipal Corporation Chandigarh has added a unique feature in this system, by which the citizens will be able to rate the redressal of their grievances on a scale of 1 to 5 as soon as their complaint is resolved.

Explaining about the system, Mrs. Bhawna Garg, IAS, Commissioner, MC said on September 30 that this rating of the citizens will be recorded in the system and then the redressal can be monitored by the senior officers who can decide as to which department of the MC is responding efficiently to the complaint of the citizens.

As a step further, changes have been made in the system which will now generate SMS and send it to the officer concerned for redressal of grievance and to the next higher authority, as to how many complaints are pending for more than 3 days and more than 15 days, on a daily basis at 8' o clock in the morning.

This will help the senior officers to effectively monitor the redressal of complaints done by the junior officers. In order to make the complaint system more broad based, 3 new categories of complaints relating to birth and deaths registration, work relating to Colony Branch and complaints relating to paid parking are being added in this system.

## **Mayor inspects primary schools: assures for smart class rooms**

Mrs. Poonam Sharma, Mayor of Chandigarh inspected primary schools, under the jurisdiction of Municipal Corporation Chandigarh on September 2 and she assured to make the class rooms smart in all the schools with proper provision of computer and projectors etc.

She was accompanied by Sh. Joginder Singh, Block Education Officer and concerned officers of MC, visited primary school, Sector 12 (PGI) and Buterla village, Chandigarh. The Mayor was apprised by the school incharges about the condition of the buildings and other infrastructure facilities provided in the schools premises.

After inspection, the Mayor assured that the schools under the jurisdiction of MC will be upgraded soon and converted into smart schools with all modern facilities at par with other government schools in Chandigarh. She further said that matter will be discussed with Chandigarh Administration regarding transfer of more schools under Municipal Corporation Chandigarh.

She checked mid day meal provided in the primary schools and instructed the concerned staff for provision of hygienic food to the children. She said that a meeting of officers will be called in two-three days to chalk-out proper plan for upgradation of the schools and addition of more hygienic food supplements to the students of primary schools.

## **Sanitation Committee meeting held**

A meeting of Sanitation committee of Municipal Corporation was held on September 29 under the Chairmanship of Sh. Darshan Kumar Garg and attended by Sh. Satish Kainth, Sh. H.C. Kalyan, Sh. Babu Lal, Sh. Davesh Moudgil, Sh. Rajiv Gupta, Joint Commissioner, Dr. P.S. Bhatti, Medical Officer of Health and concerned senior officers of Municipal Corporation.

During the meeting the councilors discussed and recommended following agenda items:

- 1 The Committee members discussed and resolved that cattle catching drives be carried out in various sectors as complaints regarding cattle menace is very common especially in southern sectors these days.

- 2 The members also accorded approval for the agenda item regarding providing and fixing of 85 iron dustbins in the markets of sector 47 and 48 at an estimated cost of Rs. 8 lacs.
- 3 Agenda item regarding procurement of various tyres, tubes and flappers for the vehicles of Medical Officer of Health, MC, Chandigarh has been approved at an estimated cost of Rs. 9.77 lacs.

## **Water Supply & Sewerage Disposal Committee meeting held**

A meeting of Water Supply & Sewerage Disposal Committee, Municipal Corporation Chandigarh was held here on September 4 in the committee room of MC under the Chairmanship of Maj. (Retd.) D.S. Sandhu and attended by other members of the committee including Sh. Darshan Kumar Garg, Sh. Satinder Singh, Sh. Surinder Bahga, Prof. Aruna Goel, Sh. Pardeep Chhabra, Smt. Harjinder Kaur and concerned officers of Municipal Corporation.

The committee has asked the concerned officers to issue a public notice regarding awareness of tertiary treated water supply for irrigation purpose amongst masses in Chandigarh to save the drinking water.

It was also discussed in the meeting to streamline the functions of Executive Engineers of Public Health department, MC. The members resolved that proper demarcation of the jurisdiction of the public health divisions will be on specific area basis, rather than the existing arrangement of functional basis.

The members were of the view that it is not feasible for an executive engineer and his deficient staff and limited resources to cover the entire geographical territory of the city. In order to attend to the identical nature of complaints at distantly located spots, long distances have to be traversed and lot of time consumed before the complaints are resolved.

The members of the committee accorded approval to various developmental agenda items including:

15. Providing additional 200 mm (8") i/d sewer line to carry out the flow of sewerage from Green Tech fuel processing Plant (constructed by M/s Jaiprakesh Associated Ltd. Sector 25, Chandigarh at an estimated cost of Rs.4.99 Lacs.
16. Providing additional road gullies at water stagnation prone points and shifting of the existing road gullies coming in road in Sector 19 (A,B,C,D) Chandigarh at an estimate cost of Rs. 5.51 LAcS.
17. Providing new SWD system with 12" i/d NP-2 RCC pipe line with additional road gullies and manhole at parking of Cremation Ground Sector 25 ,Chandigarh. At an estimated cost of Rs. 3.41 Lacs.

18. Permission for demolition of toilet block in Water works colony Sector-39, Chandigarh.
19. Providing irrigation water supplying parks near H.No. 2179 to 2227, Ambedkar Colony, Dhanas, Chandigarh at an estimated cost of Rs.2.14 Lacs.
20. Interconnection of existing tube well no .4 with booster at Tube well No. 1 & tube well No.3 with Booster at tube well No. 4 for filling of sump at Mauli Complex Jagran, U.T. , Chandigarh at an estimated cost of Rs. 13.24 Lacs.
21. Providing and laying of 6” D.I pipe to overcome the low pressure complaint of Bhara Mal Kuan & Tarkhana Mohalla in old Abadi at Manimajra at an estimated cost of Rs.6.78 Lacs.

## **Tax Branch**

The Municipal Corporation, Chandigarh has imposed property tax on commercial lands and buildings w.e.f. 22.11.2004 which is collected under self assessment scheme every year. During the current assessment year 2015-16, Tax Demand Notices to the tune of Rs. 18.52 crore were issued and the corporation has collected Rs.17.96 crore upto Sep, 2015 against the target of Rs.18 crore. Further the Tax Branch has been issuing the Demand Notices to the defaulting assessee and notices have been issued to 6921 assessees upto Sep, 2015 to the tune of Rs. 36.74 crore. The process of issuing notices is going on and during the month of Sep around 90 notices have been issued to the defaulters against outstanding amount of Rs. 25 lac and amount of tax arrears recovered during Sep, 2015 is Rs. 10.91 lac.

Further, the Corporation imposed property tax on residential lands and building for the assessment year 2013-14 @ Re.1/- per sq. yard on plot basis on provisional basis. The Chandigarh Administration issued directions to the Municipal Corporation to revise this rate and to bring it inconformity with the Act and make it financially more reasonable and economically viable with in a period of three months. The corporation fails to comply with the directions of the Chandigarh administration. The Administrator, Chandigarh Administration keeping the facts and figures in view and including the Chandigarh in the list of smart city mission, impose the property tax on residential lands and buildings falling within the limits of the Municipal Corporation Chandigarh commencing from the assessment year 2015-16 except for any residential house/flat having area less than 500 sq.ft. Further Residential houses in the colony and villages falling within MC limits have also been exempted. In the case of Govt. Building, service charge at the rate of 75 per cent of the property tax is to be paid. The corporation has collected more than Rs.1.50 crore upto Sep,

2015 which is subject to reconciliation of accounts with banks concerned and collection centres for collection of property tax on residential lands and buildings.
